

Dear CYTC members

Aaron and I would like to express our thanks to all of you on receipt of a cheque for £300 towards the epilepsy fund in memory of Nathan, the total currently stands at an amazing £1,500 which will go towards helping others.

We would also like to thank all of you who rode with Nathan over the last few years, I know he enjoyed your company as much as you enjoyed his humour. (I think!)

It was always the social side of things he enjoyed over the actual riding, although he could ride well if he could concentrate long enough! and so it's those memories of happy, muddy, friendly days out at club trials that help take a little of the sadness away for us

Thankyou

Ian
